**CLAIM ONE: Cruel And Unusual Punishment (8th Amendment Violation)**

Supporting facts: On 2/13/2018 at approximately 9:35 a.m. at the Sterling Correctional Facility Plaintiff Jabari Johnson verbally indicated to staff members Giles and Tonchie while in transport from Unit 5 to Unit 4 of his untreated fractured foot expressing he is unable to continue in walking due to excruciating pain of plaintiff's right foot. Plaintiff expressed aye need of medical assistance declaring an immediate medical emergency staff C.O. Giles and C.O. Tonchie declines the plaintiff request/need for medical assistance, yet due to the severity of pain the plaintiff fell shackled at the ankles and detained behind the back due to unbearable pain. Staffs illicit actions consisted of verbally stating were not calling anyone and since you cant walk well drag you to Unit 4. C.O. Giles and Tonchie maliciously and sadistically dragged the plaintiff using excessive force were force was not need intending to humiliate and harm the plaintiff using excessive force were force was not needed intending to humiliate and harm the plaintiff. Plaintiff Jabari Johnson then notified staff that they were in fact dragging the plaintiff on camera were as the illicit acts were being recorded and monitored. Both staff members observed were the camera

was located picking the plaintiff up from the floor slamming the plaintiff on the wall behind the camera's view, injuring the plaintiff's right shoulder causing pain and bruising. Once the plaintiff was nailed to the wall by staff the plaintiff notified staff that their actions were currently still being recorded and monitored due to the other camera at the opposite side of the hall. Once staff located the camera at the camera plaintiff was then slammed forcefully face first on untreated fractured jaw inflicting injury or loosening teeth.

Plaintiff opposed no threat, was compliant and no resistant as C.O. Giles placed his taser in plaintiff's back indicating move and I'll kill you. Moments later Captain Scott arrived expressing that he agrees with staff infliction of pain/injury as the plaintiff's request for medical regarding foot and loosening teeth Captain Scott also expressed that the plaintiff can't and won't do anything about it legally because he is indigent and if he does obtain an attorney the attorney will sail the plaintiff down the river just as the criminal attorney has done.

Plaintiff was then placed in a restraint chair in route back to Unit 5. The plaintiff expressed to Captain Scott that this situation will not be swept under the rug, and that

Mr. Johnson don't need an attorney because of the corruption Captain Scott spoke of. All staff members in attendance stated that the plaintiff needed to shut the fuck up. Plaintiff then states, he is well within his right to speak. The defendant Tonchie stated shut the fuck up we could kill you if we wanted to and nobody would care, therefore when I let you go shut the fuck up, once Plaintiff was released from Tonchie's grip were as Tonchie placed his thumb on plaintiff's jaw line applying immense pressure to the untreated fractured jaw inflicting pain causing the plaintiff to become unable to speak,

Yet when Plaintiff was liberated from Tonchie's grip Plaintiff stated I guess DOC will have to kill me because I refuse to let anyone violate my constitutional rights people have died for. Plaintiff continued in his speech of injustice as staff put Plaintiff in Unit 55 cell. Plaintiff's jaw was swollen, bruised shoulder, teeth loosened, and foot impairment yet before he could express injuries Nurse Victoria Rollens walked away. Plaintiff notifies Carpenter of his need of medical, C.O. Carpenter states hell no you should have just shut the fuck up when told. C.O. Booth was informed of Carpenter's remarks indicating that the Plaintiff's speech deprived Plaintiff of medical. C.O. Booth states Oh well life sucks dont it.

On 2/23/19 Dr. Richard Hodge of CSP stated the Plaintiff needs physical therapy in order to walk.

On 6/1/2019 Dr. Michael Hale stated the Plaintiff needs to see an oral surgeon regarding the injury to Plaintiff's Jaw.

Defendants: C.O. Giles, C.O. Tonchie, Captain Scott, C.O. Carpenter, C.O. Booth and Nurse Victoria Rollens Knowingly acted with the same state of mind required to establish the 8th Amendment Violation when:

1. ON 2/13/2018 C.O. Giles and Tonchie knowingly and intentionally refused the Plaintiff of his request for a medical emergency, sadistically and maliciously dragging the Plaintiff while cuffed detained cuffed behind the back and shackled at the ankles while on camera as the Plaintiff opposed no threat.
2. ON 2/13/2018 C.O. Giles and Tonchie knowingly and intentionally with the sadistic and malicious intent to cause great bodily injury, slamming the Plaintiff to the wall as the Plaintiff is detained at the ankles and behind

the back opposing no threat were as staff injures Plaintiffs shoulders causing bruising due to Plaintiff indicating staff is acting corruptly on camera.

3. On 2/13/2018 C.O. Giles and Tonchie Knowingly and intentionally with the malicious and sadistic intent to cause great bodily injury, slammed the Plaintiff on his untreated fractured Jaw loosening teeth, as the Plaintiff opposed no threat, due to Plaintiff expressing to staff that their illicit actions were still on camera as they unlawfully assaulted the Plaintiff.
4. On 2/13/2018 Captain Scott Knowingly and intentionally allowed the use of excessive force by staff, stating no one will help the Plaintiff and if the Plaintiff does receive legal assistance the legal aid will not be effective.
5. On 2/13/18 C.O. Tonchie Knowingly and intentionally intended to cause great bodily injury, applying severe pressure to Plaintiff's untreated fractured Jaw, causing swelling to Plaintiff's Jaw due to the Plaintiff engaging in protected speech.
6. Nurse Victoria Rallens on 2/13/2018 Knowingly and intentionally refused the Plaintiff of treatment walking away without assessing Plaintiff's injuries.
7. On 2/13/2018 C.O. Carpenter Knowingly and intentionally deprived the Plaintiff of medical treatment stating Plaintiff should have shut his mouth which will not allow Plaintiff medical treatment yet Plaintiff was deprived medical care for free speech.
8. On 2/13/2018 C.O. Booth Knowingly and intentionally disregarded the Plaintiff's continual need for care and refused to call medical even when the Plaintiff expressed to C.O. Booth that Carpenter and other staff members were depriving the Plaintiff of medical.

Plaintiff Jabari Johnson was subjected to difficult circumstances, subjecting the plaintiff to cruel conditions of confinement depriving the plaintiff of the basic human need of safety and medical care. The Plaintiff was subjected to assault due to retaliation with the malicious and sadistic intent to cause great bodily injury as Doc staff caused physical and emotional injuries that continue to current date. Currently the Plaintiff Jabari Johnson is in need of further treatment to right foot and lower right jaw due to further injuries inflicted by staff. Medical has neglected treatment since 10/19/2017, yet Victoria Rollens on 2/13/18 refused as the Plaintiff have suffered in pain from injuries to current date, as Dr. Richard Lodge prescribed physical therapy so that the Plaintiff may walk, and Dr. Michael Hale prescribed an oral surgeon for jaw. Nonetheless the precise extent of Plaintiff's injuries and the nature of any permanent damage are difficult to ascertain due to continual treatment that the Plaintiff requires, therefore Plaintiff requests listed a sum of money damages regarding defendants punitive and compensatory claims of relief.
